

Accounting is a dynamic field, offering you diverse opportunities in the private sector and in government agencies worldwide. The W. P. Carey business degree in accountancy delivers the critical thinking, team-building, communication, and information technology skills you need to thrive in your career. All of that, plus close ties with major local, national, and international accounting firms that give you a competitive edge in the job market.

- ACC 440 is a prerequisite to ACC 450
- CIS 360 is a prerequisite to ACC 444
- LES 305 is a prerequisite to ACC 430

## Major Proficiency Policy

Students must receive a grade of "C" (2.00) or higher in upper-division courses for the major. If a student receives a grade below "C" (2.00) in any course in the major, the course must be repeated. Receiving a second grade below "C" (2.00) in either an upper-division accounting course already taken or in a different upper-division accounting course in the major, will result in removal from the major and the student will no longer be eligible to take upper-division courses in the major.
