**Map your future in statistics**

**Account Supervisor**

Provide leadership for the account team, effective execution of digital campaigns, and strategic counsel to clients. Develop social and digital strategies including driving the research direction and insights for the development of digital campaigns based on an advanced understanding of the digital, social, and gaming markets.

Provide guidance on engagement and participation in evolving digital channels, identifying and evaluating new opportunities as they pertain to the client. Coordinate strategic development and global implementation of campaigns across key markets.

**Digital Games Marketing Manager**

Build and maintain strong, effective marketing relationships with business and marketing teams. Create and manage cross-promotional marketing campaigns (internal and external) for all first-party services, in store, on service, and at retail locations. Maintain strong detailed knowledge of major content partner offerings.

Structure programming recommendations and implement effective marketing campaigns around such offerings. Track weekly sales and consumer satisfaction to improve marketing efforts and meet consumer needs. Run ROI analysis around all campaigns, recommending improvements/changes to processes, campaigns, and strategies.

**Digital Media Sales Representative**

Generate awareness of and interest in the company’s products and services with a consultative sales approach. Ensure a superior customer experience with the company by addressing customer questions or concerns. Leverage internet tools to complete research on companies.

Maintain current knowledge of market activities, including competitive products, pricing and policies, new technology, product specifications, and possible new products. Help develop teaming strategy to drive sales and improve the customer experience. Follow agreed upon touch plan and coverage approach.

**Social Entrepreneur**

Network and liaison with other community organizations, nonprofits, and businesses to maximize synergistic relationships and complement existing resources. Identify and pursue all funding opportunities made possible by local business and other likeminded groups. Hold discussions with organizations and companies to create synergistic relationships. Develop short- and long-term business plans for innovative income-generating ideas.
**Add Value to Your Degree**

As a W. P. Carey student, your classroom experience is just one part of your preparation for a successful career. A variety of extracurricular opportunities provide you with practical, real-world experiences to complement your classroom studies.

**W. P. Carey Center for Entrepreneurship**

ASU is an entrepreneurial institution, with tons of dedicated resources and programs for student entrepreneurs. Your guide to entrepreneurship at ASU, the W. P. Carey Center for Entrepreneurship connects you with a range of opportunities designed to help you launch your own startup company and benefit the world through innovation.

- Collaborative workspaces and courses engaging students across the university
- Accelerator programs like the Edson Student Entrepreneurship Initiative (entrepreneurship.asu.edu/edson)
- Meaningful innovation experiences through Changemaker Central (changemaker.asu.edu)
- Structured workshops, seminars, and competitions for seed funding
- Internships and applied projects with leading entrepreneurs
